Item Type: Ordinance

Contract: Yes

Summary:

We respectfully request City Commission to authorize the City Manager to accept a grant from the FAA to reimburse the City of Springfield for the purchase of three parcels located at the approach end of Runway 06 within the Airport Runway Safety Area (RSA). The Grant is an Airport Infrastructure Grant (AIG/BIL).

Total Project cost of \$156,415.00. The funding breakdown is 90% (\$140,733) FAA, 5% (\$7,821) State, 5% (\$7,821) Local. Acquiring land within the RSA is a safety priority of the FAA and the purchase of the three parcels off the end of Runway 06 helps create safer approaches for all users.

Justification for Emergency Action:

The FAA requires a quick turnaround timeline to accept the grant, therefore we respectfully request that it be read as an emergency.
