

Request for Commission Action

City of Springfield, Ohio

Item Number:

Agenda Date: 08/27/2024

Today's Date: 08/19/2024

Subject: Award of Contract to Mid-Ohio Pipeline for the Selma Road Water Service Replacement project

Submitted By: Joni Hagie

Department: Finance

Contact: Katie Eviston

Item Type: Ordinance

Contract: Yes

Summary:

Bids were received on August 16, 2024 for the Selma Road Water Service Replacement project. It is recommended to award to the Mid-Ohio Pipeline Company as the lowest and best bid received at \$906,900.23.

Justification for Emergency Action:

This project consists of replacing 70 water services on private property and 115 water services in the right of way on Selma Road from Spring Street to the Corporation line.

This office is recommending that City Commission authorize the award of a contract to Mid-Ohio Pipeline in the amount of \$906,900.23 at their August 27th meeting as an emergency ordinance.

This authorization should be granted as an emergency in order to meet funding deadlines imposed by OEPA and complete the project prior to beginning the ODOT funded paving project in 2026. The EPA funding deadlines are 8/31 and 9/14. This funding gives us principal forgiveness on 54% of the costs associated with any full lead water service line replacements.

Funds Activity:

Department/Division	Fund Description	Account Number	Actual Cost
Service / Engineering	WPCLF		\$ 906,900.23

Total Cost: \$906,900.23
