Summary:

Bids were received on May 16, 2025, for the 2025 Sidewalk, Curb and Gutter Program. It is recommended to award to CW Tree and Outdoor Service, LLC as the lowest and best bid received at \$1,445,002.00 which includes the Base Bid and the Alternate Bid.

Justification for Emergency Action:

The project consists of curb ramp installation, sidewalk replacement and curb replacement in the Northern Estates area.

This office is recommending that City Commission authorize the award of a contract to CW Tree and Outdoor Service, LLC in the amount of \$1,445,002.00, at their June 3rd meeting as an emergency ordinance.

This authorization should be granted as an emergency in order to keep the project on schedule with the 2026 Neighborhood Streets program. The size of this program already necessitates a 2026 completion date and we want to ensure this doesn't delay paving because the snow this past winter delayed the initial assessment of sidewalk, curb and gutter.
